hah. god, I still keep 1/2 expecting
us to hit a ceiling...to plateau - but it doesn't
seem like it's going to happen
12:21:37 AM tunawarrior:
i have been thinking a little differently
about it. i was thinking, maybe we're doing
so well on all the rankings and registrations is that we may
be fundamentally different from all these other
websites, as in.
12:21:46 AM tunawarrior:
we don't really provide a service
like ebay/google/craigslist
12:22:18 AM tunawarrior:
but we're the first mass entertainment
thing accessible through the internet.
uhm, like we're some kind of convergence thing between tv/internet.
12:22:53 AM maryrosedunton:
yup. I spent like an two hours today
just zoned out watching videos
12:23:05 AM tunawarrior:
dude, watch your email in about 2
minutes
12:23:07 AM tunawarrior:
these numbers are amazing
12:23:08 AM tunawarrior:
today
12:23:14 AM maryrosedunton:
hah...cool.
12:24:13 AM maryrosedunton:
oh, I totally agree on the convergence
thing - it sounds sort of dorky, but I really
do think we're revolutionizing entertainment
12:24:39 AM maryrosedunton:
I run into more and more random people
who are huge fans of ours
12:24:51 AM tunawarrior:
oh, exactly. re: revolutionizing
entertainment
12:25:04 AM tunawarrior:
haha, it does sound dorky but i think
it has just been over-used by other
companies who have attempted to do it.
12:26:20 AM maryrosedunton:
ya, totally. oh man, powers was telling
me about all this cool collaborative
filtering/recommendations stuff he built for slide - and it's
never been used. max doesn't think that's the right
direction for the product or something.
12:26:40 AM tunawarrior:
right, i was sort of thinking. like
while it's awesome that we're kicking ass on
alexa and we're rising on the charts.
12:26:54 AM maryrosedunton:

hah
12:26:59 AM tunawarrior:
but i think we're bigger than the internet, that we should be comparing ourselves to, say, abc/fox/whatever.
12:27:00 AM maryrosedunton:
I like the steve mike thing you put in there
12:27:40 AM maryrosedunton:
f-ing a. look at the numbers from 2/1 to now
12:27:52 AM tunawarrior:
ya
12:27:55 AM tunawarrior:
like a 150% increase
12:27:59 AM tunawarrior:
and!!
12:28:06 AM tunawarrior:
the thing is, still, a ton of people have never heard of us.
12:28:20 AM tunawarrior:
if we can keep up the scaling and make some revenue
12:28:44 AM maryrosedunton:
oh, I know, although I meet more and more people who have heard of us now
12:28:49 AM tunawarrior:
who wouldn't use us? potentially better entertainment than cable and you don't have to pay for it, you can talk to other users about it, you can create your own channels, so on so on.
12:29:29 AM maryrosedunton:
yup. registrations doubled this month, but I still feel like we're lacking there
12:29:51 AM tunawarrior:
hahaha. it's a little funny, being in the product side of youtube, isn't it?
12:29:59 AM tunawarrior:
it's like, you have to look at these charts and numbers and see where we can improve
12:30:03 AM tunawarrior:
when this is like unprecedented growth
12:30:04 AM tunawarrior:
for any company
12:30:19 AM maryrosedunton:
hah. ya, totally. you still have to always focus on where we can do better

12:37:26 AM maryrosedunton:
oh, so by the way, after our discussion
on friday, I did a little exercise on friday
and went through all the most viewed/most dicussed/top favorites/top
rated to try and figure out what percentage
is or has copyrighted material. it was over 70%
12:38:55 AM maryrosedunton:
hah. shit. never mind
12:39:12 AM tunawarrior:
hahaha
12:39:21 AM tunawarrior:
maryrose, you're fired.
12:39:43 AM maryrosedunton:
oh, what I meant to say is after
I found that 70%, I went and flagged it all for
review
12:39:57 AM tunawarrior:
oh! of course.
12:40:36 AM maryrosedunton:
because we've got to work towards
having a site 100% free of copyrighted
material, ya know.
12:40:54 AM tunawarrior:
yes, error on the side of protecting
copyrights. at all costs.
12:41:12 AM maryrosedunton:
too bad micah doesn't agree with
us. we might have to fire him.
12:41:48 AM tunawarrior:
yes, sticking to our in-house 1 strike
per employee policy.
12:41:55 AM tunawarrior:
love the guy to death, but rules
are rules.
